

Dear families,

September is nearly at an end and children have already completed three weeks of school! It has been so fun watching the excitement of a new year in the children's eyes. Last week Years 1-6 and staff embarked on a rather wet and windy exploration of Bodmin Moor's Cheesewrings, an event that had been postponed in July due to stormy weather. It was absolutely wild (!) but so much fun - a day not to be forgotten. Children were given maps to navigate their way to the Cheesewrings and we all learned important rules about how to look after spaces like these. Back at school, children found out about the myths and legends. We had a lovely email from the moorland leader who organised our trip to the moors.

This is what she said: 'The children were a credit to themselves, their school and you.' 'The conditions were challenging & everyone stepped up with an open mind & toughed it out. What a gutsy & motivated team of children & staff.'

We are continuing to roll out our Facebook page and update you with events as they unfold. Please share and follow our page and spread the word about our lovely school.

Nursery and Class 1 are opening their doors every Thursday for an under 5s 'Stay and Play' session. This is an invite for families of Werrington this week and then next week open to the public so if you know of a family with an under 5 please let them know that they are

very much welcome to come and meet new faces and play with their children in a warm and welcoming environment (details below and on Dojo).

Werrington are looking forward to participating in the Launceston Carnival on Saturday October 6th. Please come along and support our school (details below and on Dojo).

On Monday, we raised money for The Abilities in Me Foundation by dressing up nice and bright. We will report back how much we have raised in the next newsletter. Thank you for all of your support.

Well done Gabby for being chosen for our new Mouthwatering Manners Award (chosen by our lovely cook).

Thank you to all our Year 6 parents and carers who came to our information afternoon. Packs should have been sent home with those who could not make it. If you need any further information, then please contact Miss Andrew or Miss O'Malley.

Class 2: In Maths we have been matching shapes to the

correct piece of paper. We have also been seeing whether we can stack all the shapes, some or none.

Class 3:

We have begun our new English unit based on the book 'Weslandia'. We made our own shelter just like Wesley, our main character in our book. This week we will be constructing single clause and multi clause sentences based on these constructions.
