

Following some parent feedback we are re-instating the newsletter, so here is the first one. We will be keeping you up to date with what's going on in school weekly. We will post it on Class Dojo and the school website. A hard copy is available on request in the office.

What a great week we have had this past week here at Werrington. There has been lots of super learning going on in all of the classrooms and the children have been working very hard.

Class 3 are packing up to move to their temporary classroom this week. This is the next phase in the renovation works as Class 2 will soon be able to return to their original space next to the office.

Class 2 and 3 have been lucky to have a local author come and visit last week! Rebecca Brewer offered a workshop for children to learn more about their learning powers by using her book as a tool to guide them on this special journey of uniqueness and visible learning! Class 1 and nursery have been busy making pizzas! Delicious! This week they are learning all about 'On the Farm'.

This week, children have been focussing on the learning characteristic of curiosity. Well done to Rowan in Class 2 and Toby in Class 3 for receiving their certificates for being curious learners! This week, the learning characteristic is to be: Collaborative. Have a super week ahead and enjoy your learning!

Class Reading Challenge

Class 1	32 %
Class 2	57%
Class 3	36%

The class with the highest percent gets a special treat.

Well done Class 2 for winning last week's reading challenge!

Children must have reading records

Spotlight on Attendance

Receiving a full-time education is a child's legal entitlement, and it is the parent/carer's legal responsibility to ensure that this happens.

Regular attendance is important for your child to make timely progress, achieve their academic potential and consequently have a better chance in life.

Absences can disrupt your child's friendships following an absence they may feel left out. Any absence affects the child's learning, and the more school they miss the harder it will be for them to catch up.

If your child is too unwell to attend school, then you need to contact the school office by 8:45am please. School commences at 8:45. After 8:45 this will be classed as late. The playground gate will be locked and you will need to walk around to attend the main office after this time.

A polite reminder that the school day ends at 3:15pm.

Mr P

Reminders

Please remember we are about to enter winter and we try and take the children outside for fresh air and exercise each day. Please can children bring a coat. It is useful to also bring a spare PE kit/clothes as sometimes accidents can happen, such as slipping in mud, in school.
