

Dear families,

As you know, we were recently inspected by OFSTED. We are very pleased to let you know now that officially we are graded 'Good'. You can find the full report here:

https://www.northpetherwinandwerringtonschools.co.uk/web/ofsted_reports/446780

The summer holidays are drawing ever closer and with that comes excitement for transition days and new challenges but also stirs up feeling of worry for change and sadness for saying goodbye to friends. Children and teachers are excited for their upcoming transition days on Monday 17th, Tuesday 18th and Wednesday 19th of July where the children will go straight to their new (or current!) classes. Teachers will ensure the children will know where to enter in the morning and hang up their coats and bags.

Year 6s are due to transition to Launceston College on Monday and Tuesday next week and those Year 6's who are joining an alternative college will come to school as normal next week. We wish the Year 6s the very best of luck!

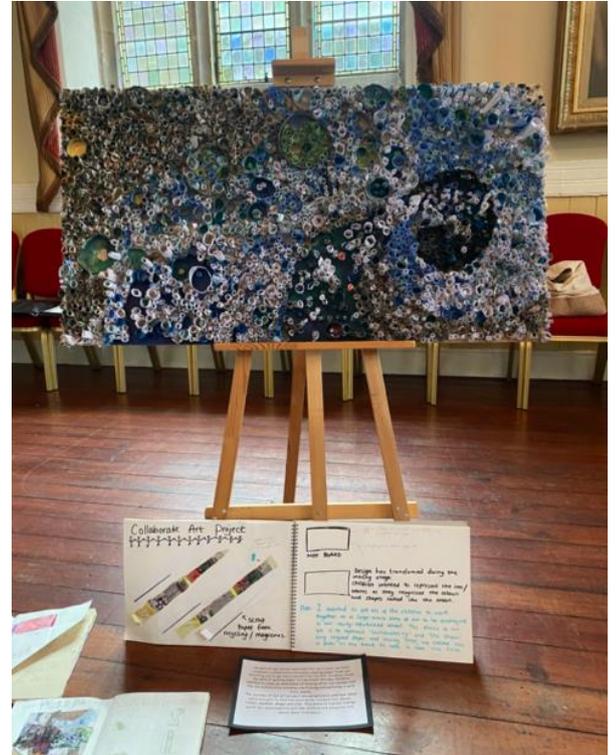

Children have been busy rehearsing songs and talents for the Year 6 Leaver's Assembly and we would like to invite all parents to join us on the playground from 3pm for our tunnel parade.

Werrington children joined North Petherwin last week and had a wonderful afternoon at Launceston Castle. Children from Year 3-6 performed the AnDaras Trust Dance on the green. The weather was kind to us thankfully and the children were able to perform in front of

parents and the public with the seven other Trust Schools. We were very proud of them. Well done!

Last week was the AnDaras Trust Art Show in the Town Hall and we had such wonderful feedback from the public, parents, governors and other schools as to how brilliant the art was this year. The show ran for two days and there are already talks about next year's event being

bigger and better with more opportunity for families and children to see their work on display. The art work will soon go on display in the school.

The nursery children have been carrying out some science investigations on Friday. We made our own ice-cream using food bags and ice. The children discovered the liquid mixture turned into a solid but the best part was tasting our ice-cream

WERRINGTON PRIMARY SCHOOL

SUMMER FETE

14TH JULY 2023
3.15-5.30

BURGERS £2.50

FUN FOR ALL THE FAMILY

MULTI-DAY • SCHOOL EVENT

Changes to the Length of the School Day

Sep 4, 08:40 - Sep 29, 15:20

IMPORTANT NOTICE

Re: Length of School Day

As you may be aware the DFE is extending the primary school day by 15 minutes so from September we will be opening the school at 8.40am with pupils starting their learning at 8.50am. School will end at 3.20pm. These times do not apply to our Nursery pupils.

If you have any further questions, please contact school.

The Time2Move Holiday Programme will offer fun physical activities, games and wider activities plus a meal for all children.

Activities will be taking place across the Easter, Summer and Christmas holidays.

All children aged 5 to 16 are welcome to attend and it is completely **funded** for children that are eligible for benefits-related Free School Meals.

The activities are all delivered by approved providers with the main focus on fun and enjoyment. Before each of the holidays please search for activities near you, book your child's place and we look forward to seeing your child over the school holiday.

Dates for your diary:
